# Artistic Director's Notes

Tamraloo Studios' mission is to bring accessible, inclusive, and highest-quality arts and education instruction to Placer County and beyond, allowing for students and instructors to create and educate to their highest potential. To that end, the 2023/24 season has proved to be a banner year year in our organization. Some of the highlights include -

- Tamraloo Studios participated in the Certificate of Merit program for the first time. Every student who participated passed their exams and leveled up.
- Tamraloo teachers entertained at multiple community events such as the Silver Wishes fundraiser, the Women's Club membership luncheon, and Whitney Eklunds City Council campaign kickoff.

- Tamraloo built an officially dedicated dance room complete with custom sprung floor, launching a full-scale dance program

- Our vocalists provided the national anthem for Lincoln Potters, Rivercats, Pickleball Tournament, Rocklin Pony League Opening Ceremonies, Lincoln Little League opening ceremonies, and more.

- We provided musical education for Lincoln Community Preschool and Maria Montessori Charter School, and participated on creative teams producing musicals for Lincon High and Lincoln Crossing Elementary.

- Two of our Tamraloo students won the title of Miss Scrament Outstanding Teen two years in a row.

And we can't forget - in January of 2024, Tamraloo Studios officially moved into what we hope will be our forever expanded studio, with over 10,000 square feet of space to create, to dream, and to grow.

With that being said, is there anything left for us to do?

Tamraloo is proud to present the following in 2024/25:

- A complete birth-6 musical education curriculum

- An expanded dance program that will incorporate hip-hop, ballet, tap, jazz, and more

- A full-day, 8 week arts-focused summer camp

- A comprehensive ensemble musicianship program (in other words, we're putting bands together!)

Thank you to each and every one of you who have cheered us on, supported us, championed our programs, and made all of this possible. We will continue to bring you the best of the best each and every year, in each and every program, with each and every performance. Let's do this, Lincoln!!
